The Debtors’ Chapter 11 cases have been consolidated for procedural purposes only and are being jointly administered pursuant to Rule 1015(b) of the Federal Rules of Bankruptcy Procedure. LBHI has prepared this Operating Report, which includes certain information as required by the Office of the US Trustee, based on the information available to LBHI at this time, but notes that such information may be incomplete and may be materially deficient in certain respects. This Operating Report is not meant to be relied upon as a complete description of the Debtors, their business, condition (financial or otherwise), results of operations, prospects, assets or liabilities. LBHI reserves all rights to revise this report.

**Notes:**

- (a) Receipts from Non-Controlled Affiliates primarily result from the settlement of a multi-party litigation wherein LBHI sought to recapture previous distributions it made on certain Guarantee Claims owned by Non-Controlled Affiliates, because the corresponding primary claims were subsequently satisfied in full by distributions from the primary obligors.
- (b) Operating expenses include contractual payments for compensation and benefits to Lehman employees of approximately \$9 million for services performed in 2020. A portion of the Operating Expenses paid by LBHI is subject to allocations to, and reimbursement from, LBSF and LBHI-Controlled Entities. Payments to certain vendors reflect fees incurred over multiple months.
- (c) Other Disbursements from LBHI-Controlled Entities primarily include a payment to a third party of funds that were received in December 2020 on behalf of that third party.
